

HyGo Mobile Cleaning Station for the Transport Industry

Efficient. Organised. Always Ready.

Keeping lorries, vans, and buses clean is essential for hygiene, safety, and your company's image. HyGo from Vikan is a mobile cleaning station that brings the right tools directly to where they're needed—saving time, improving efficiency, and ensuring high cleaning standards.

Why choose HyGo

- ✓ **All-in-One Solution:** Cleaning tools are neatly stored and ready for use.
- ✓ **Mobile & Flexible:** Move it easily to any cleaning location.
- ✓ **Time-Saving:** No wasted time searching for or fetching tools.
- ✓ **Reliable & Durable:** Built for daily, heavy-duty use.
- ✓ **Better Cleaning, Faster:** Ensures the right tools are always at hand.

With HyGo, cleaning transport vehicles becomes a more streamlined and efficient process that supports both hygiene and operational efficiency.
